## **WHAT IS NTRB?      WHO IS ELIGIBLE?**

**NTRB is a Radio Reading Service broadcasting to the North Texas area. We are a sub-carrier of KERA 90.1FM, and we broadcast to a special audience of people with visual, physical or learning impairments living within a 70-mile radius of Dallas.**

**NTRB is on the air all day every day. We read the daily newspapers from Dallas and Ft. Worth along with the Wall Street Journal, Christian Science Monitor and USA Today. We also read the obituaries, weekend grocery prices, books and magazines; provide interview programs on matters important to the blind community. Volunteers produce all of our local programming at our studios on Randall Street.**

**Radio receivers are loaned to eligible listeners who cannot read for themselves. When the receiver is no longer required, we request that it be returned to the agency for re-issuance to another listener. Please keep the box in which this radio arrives for ease of return. Our address is printed plainly on back of the receiver, and the receiver may be returned Free Matter For The Blind. We ask your contact to assume responsibility for its return if you are unable to do so.**

**We hope that our listeners will feel that NTRB is THEIR radio station, and will let us hear from them frequently with comments and suggestions. You are invited to call us at 214-871-7668 or 1-800-871-7668.**
